Prayer bulletin July 2019

"Devote yourselves to prayer, being watchful and thankful" (Colossians 4:2)

The Cube

The CUBE will be welcoming their new youth worker Charlotte Cooper at the end of August. Please pray for Charlotte as she begins a new chapter in her life and for the young people who she will be working with. (There will be a profile of Charlotte on the Churches Together website in mid-August.)

The Anglican Team (five churches in the district)

Barry Hill writes "we would value prayers as we continue to build and form team, develop our plans to plant six new churches/congregations over the coming years, including into the Airfield Development, continue to seek those whom God is calling to be trainee Youth workers and embed Alpha as a regular part of helping people develop an active and personal relationship with God."

St Dionysius

Give thanks for the curate Andy Giles, priested recently at Leicester cathedral. Pray for our continued development as an Eco church in responding to care and concern for God's world. Also for plans and finances for the proposed re-ordering of the church and our serving of the local community both now and in the future.

Harborough Baptist Church

Following the recent call of Christopher Brown to the pastorate of Market Harborough Baptist Church, we would value prayer for Christopher and his family as he prepares to take on this new role. His ordination is on Saturday 27th July and his induction to the pastorate on Saturday 14th September. Please pray for Christopher as he prepares for these significant events and for his family, (wife Louise and their three girls Elizabeth, Jemimah and Florence) as they settle into their new home. Pray that as we enter a new season as a church family under Christopher's leadership, God would be glorified and Christ's love revealed in all that we are and do.

Other matters for prayer

- Holiday at Home, 12-16 August, at the Methodist Church; especially the need for a co-ordinator and new volunteers to ensure this ministry continues after this year.
- Jubilee Foodbank, appealing for supplies to meet the expected higher demand during school holidays.
- Children's activities, holiday clubs, Christian camps etc. in our area or involving young people from the area.

Please send future requests to Derek Williams, Churches Together in Harborough Communications Officer, communications@harboroughchurches.org.uk. The next prayer bulletin will be produced in the autumn.
