Jubilee Foodbank Market Harborough

Dear Friends,
Can I please repeat my request to the Churches of Harborough. Jubilee are running out of regular donors of food especially on our most needed list and if any Church feels that they can help with a special appeal or offer any advice for future donors we would be very grateful.
Also, we have a need of food for our emergency homeless bags. During the summer months more itinerant people do come into Harborough and they often need light goods, food that can be eaten cold or easily heated and some light, small easy to carry hygiene products – deodorant,

toothpaste ,shower gel etc. If any Churches feel that they would be able to collect any of these goods we would be very grateful.
I know that many of you hold us and the people we serve in your prayers and we are very grateful for this,
Yours
Sharron Brannen Jubilee Foodbank Trustee.

Bruce Durham of Harborough's Flood Action Groups helps run FLOODHUBS across our towns and villages, set up by HarboroughWoodland.com and the Harborough Town Hub CIC.

2300 properties are at risk of flooding in Market Harborough and one in six across the UK. Flood risk is increasing due to the intensity of rainfall on our thick clay catchment with no soakaways. How can we prepare and reduce our risk by learning from flood victims and Flood Action Group community solutions across the UK?
